DEDICATION

The Class of 1977 proudly dedicates THE PIONEER to a man who has been our teacher, advisor, dormmaster, coach and personal friend.

He has touched each of us in his honest and fair way. He has demanded from us all our utmost effort because he has wanted us to strive for the highest goals. He has led us through our good times and struggled with us through our hard times. We appreciate his unending faith in us as a class and his respect for us as individuals.

With extreme gratitude and deep affection, we sincerely dedicate the 1977 yearbook to

OFFICE OF THE HEADMASTER

June, 1977

To The Class of 1977:

Highlighting the pleasures for me this year has been the fine performance of your class. The largest group of graduates in our history, you have successfully blended your many diverse talents so as to lead us through a productive and successful year. We shall remember you as loyal, hard working, and sensible.

I know that the experiences you have had and the lessons you have learned at Suffield will serve you well in the years ahead. I especially hope that in your life here you have come to realize that education is never-ending and that the real pleasure in life comes from doing things for and with other people.

You have our best wishes and our continuing interest. We look forward to having you return whenever you can.

Sincerely,

Kenneth I. Lindfors

No. I usually dream that I'm lying under a tall tree in a dark wood. I want to be up, up at the top, to look out over the bright landscape where the sun is shining, and plunder the bird's nest where the golden eggs lie. So I climb and climb, but the stem of the tree is so thick and so smooth, and it's such a long way to the first branch. I should get to the top as easily as if I were on a ladder. I have never reached it yet, but reach it I shall, if only in my dreams!

Nothing, not even the best and noblest, can go on as it now is. Nothing, not even what is lowest and most bestial, will not be raised again if it submits to death. It is sown a natural body, it is raised a spiritual body.

The card is asked, direction found,
Tracks to follow cover the ground.
Hectic white, aromatic cold,
Oscillate like fir, sunbrimmed
gold.
SlooG SlooM SlooSH SlooF
Mastered thrust,
Passion pushing,
Quick, we must.
Gliding gamely:
Kick Kick Kick
Stabbing, lunging:

TREK

Turbulent agony of the ascending
flight
Disturbed the mind in its gaping
might,
Fought the battle of the wearied maze,
Struck the shield of the lunatics craze.
In rythmic resilience the forceful
thrust
Crashed and crushed for the madman's
lust.
Nailed, he descended, to Hell he
came;
Flew he through, with God to sustain.
Through all of hell the skier last,
But he made speed and power with
beauty sashed.

Nobody is perfect, each one of us is a mixture of good qualities and some not so good. In considering our fellow man we should remember his good and realize that his faults only prove that he is, after all, a human being. We should refrain from making harsh judgments of a person just because he happens to be a dirty, rotten, no-good . . .

As I sat gazing out across the sea
The dwindling light casting shadows on all eternity.

I thought of her
And images of a once lost Paradise did stir.

Like the mist born of the night
They came drifting across the sky and clouded my sight

For hours untold, memories, remnants of a past nurture
Filled my thoughts and made meaningless the future.

We had walked, always, hand in hand
These million miles of forlorn sand.

And confessed our love beneath this same star

But, when lost in the tenderness of her kiss
I knew of no other than immortal bliss. - B.C.

But we are alone, darling child, terribly isolated from each other; so fierce is the world's ridicule we can not speak or show our tenderness; for us, death is stronger than life; it pulls like a wind through the dark, all our cries burlesqued in joyless laughter; and with the garbage of loneliness stuffed down us until our guts bursting bleeding green. We go screaming round the world, dying in our rented rooms, nightmare hotels, eternal homes of the transient heart.

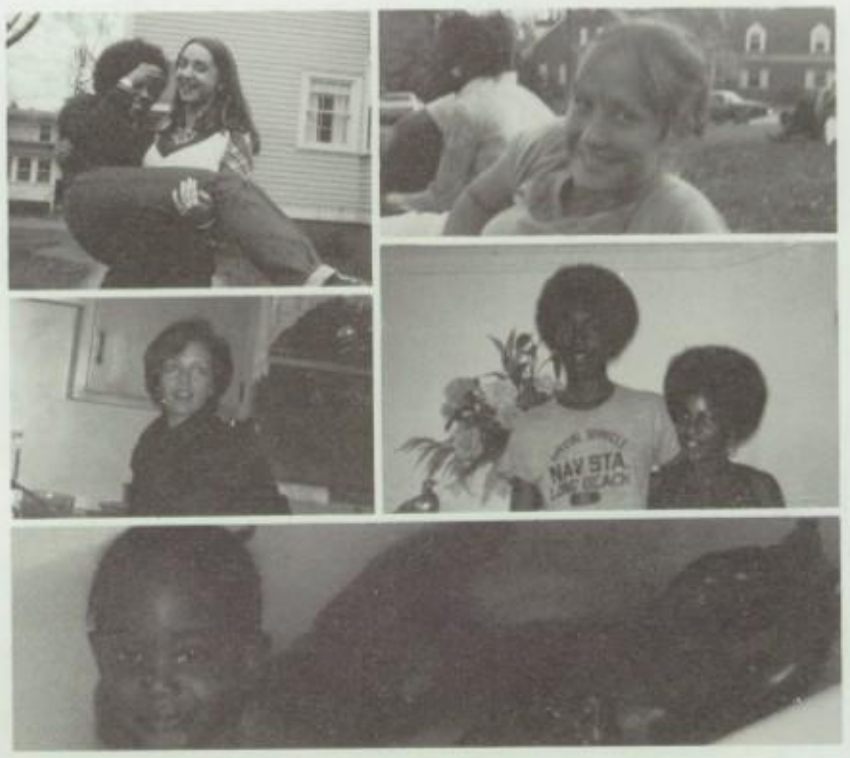
Experience is a hard teacher. She tests first and teaches afterwards.



Sagittarians are known for their little feet. Their feet have to be small, since they're always putting them in their mouths. That's because Sagittarians always tell it like it is, even when it would be more cool not to. They have it together in so many other ways, though, it's easy to overlook their lack of tact. With a whole lot of wisdom, tolerance, humor and confidence, Sagittarians turn out to be the most well liked sign of the Zodiac. Liking a Sag is one thing, loving one is another. They're often extremely idealistic, and usually wander through many affairs before finding someone who turns them on. If you want to be that someone, it's going to be tough. Sagittarians love their freedom so much they'll fight you all the way to the altar. Just fight back hard enough, long enough and strong enough, and you'll probably end up smiling as your Sagittarius hollers out "I do" before the preacher even asks the question.

Somewhere along the way
I found the meaning,
Woke up dreaming
Along the way.
Never quite seems the same
When you awaken
And making up for the time
Is such a price to pay,
Then they take the dream away
And it just ain't fair.

When the dream came,
I held my breath
With my eyes closed.
I went insane
Like a smoke-ring day
When the wind blows.
Now I won't be back 'til
later on
If I do come back at all,
But you know me
And I miss you now.
In a strange game
I saw myself as you knew
me
When the change came
And you had a chance to
see through me.
Though the other side is just
the same
You can tell my dream is
real
Because I love you,
Can you see me now?
Though we rush ahead to
save our time
We are only what we feel
And I love you
Can you feel it now?

When things go wrong, as they sometimes will
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit -
Rest if you must, but don't you quit.

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a fellow turns about
When he might have won had he stuck it out.
But don't give up though the pace seems slow

You may succeed with another blow.

Often the goal is nearer than
It seems to a faint and faltering man;
Often the struggler has given up
When he might have captured the victor's cup.
And he learned too late when the night came down.
How close he was to the golden crown.

Success is failure turned inside out -
The silver tint of the clouds of doubt.
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit,
It's when things seem worst that you mustn't quit.

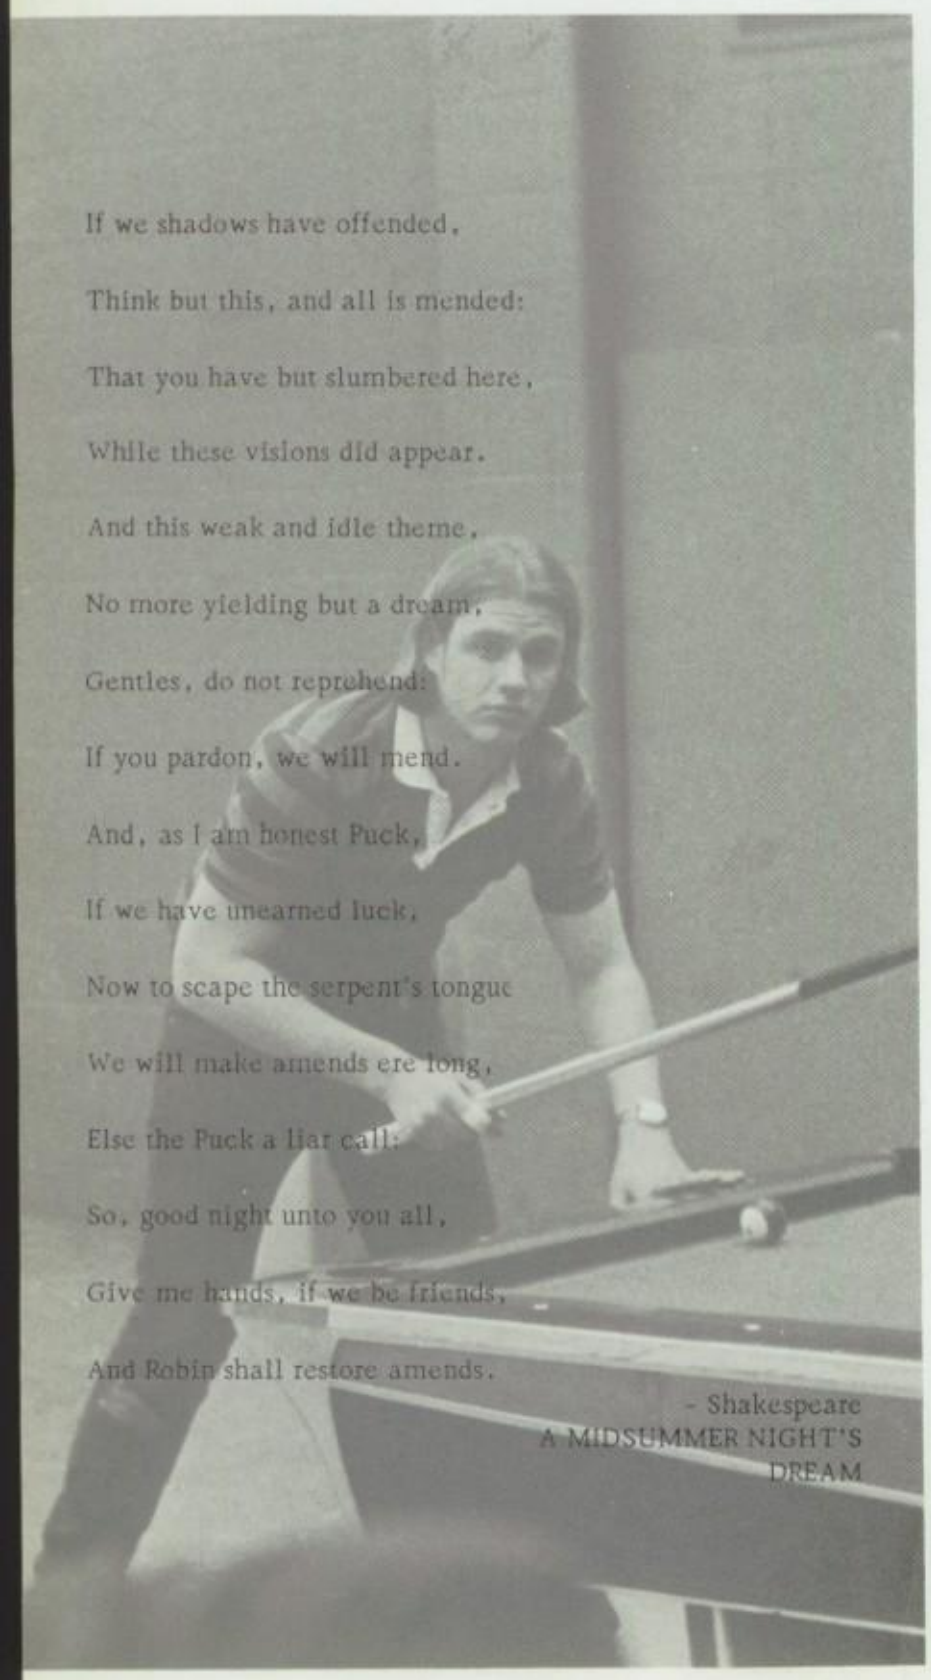
Others judge you by what you have already done. You judge yourself by what you feel capable of doing.
- Longfellow



If we shadows have offended,
Think but this, and all is mended:
That you have but slumbered here,
While these visions did appear.
And this weak and idle theme,
No more yielding but a dream,
Gentles, do not reprehend:
If you pardon, we will mend.
And, as I am honest Puck,
If we have unearned luck,
Now to scape the serpent's tongue
We will make amends ere long,
Else the Puck a liar call:
So, good night unto you all,
Give me hands, if we be friends,
And Robin shall restore amends.

I hesitate to say goodby . . . because it hurts to go . . . away from your dear lovely face . . . but fate has deemed it so . . . and even though I'll walk alone . . . you'll be close by my side . . . to comfort me when life is dark . . . within me you'll abide . . . I'll live a million times the things . . . that you and I once did . . . for though we will be far apart . . . in memory they're hid . . . each rose I see or soft blue sky . . . will bring you closer still . . . and rain that falls from up above . . . will be the tears you spill . . . for in a larger sense, my dear . . . we'll never be apart . . . because I'll carry you with me . . . forever in my heart.

Time was up before we even knew it . . . Time now to leave the friends and the security we have obtained. Time to continue on our journey to conquer our dreams. Time to start another phase of our lives, with new friends as well as the old ones.

As man strives for knowledge he learns how ignorant he really is!

Let's go get hammered.

Very successful season behind powerful coaching of Mr. Glover. Top four runners are the best Suffield has ever seen: Childs, Capt. McLaughlin, Lahart and Matt Grieb. Four-year man Anthony Krupa helped all year at the number five spot, with added depth from Benedict, Glover, Regalbuti, Pfeifer and Cahill. Kingswood, Westminster, Loomis, Avon, Hopkins fall victims to Suffield Harriers . . . Finish

third in Williston Invitational with Childs' 11th and McLaughlin's 7th . . . Fourth place in New England's highlight of the season.

Typical of the season was Suffield's Lahart, Childs and McLaughlin finishing in unison to defeat Avon easily. Bill Lahart wins two races . . . Capt. McLaughlin and Childs among top class of ''B'' prep school performers in New England and prove it by excelling in big meets. Matt Grieb should pace next year's team . . .

Many thanks to Sid Howell for managing the rowdiest team ever!

The girls' Varsity Soccer team improved with age. Under the direction of Mr. Graden, co-captains Mary Oleksak and Gwen Worthy led the team through some difficult games and some exciting times. The experience gained is not shown in the record but in the teams we defeated. We were victorious over such powerhouses as Berkshire, Chaffee, Wilbraham and Miss Porter's. The girls were all in fantastic shape which proved helpful when we ran low in numbers. Many veterans were joined by some new faces and seven of these girls will be returning for another season, hoping to improve the record compiled by this team of hard-working, aggressive girls. The season will be remembered for its weather: sunshine, snow, rain and sleet.

The 1976 Varsity Football Team has been Suffield's most successful in the past ten years. The team was captained by Andy Olear and John Geary. John deserves special recognition, for he was unable to participate because of a prolonged summer illness.

This year's team, in all honesty, exemplifies what a team actually is. We suffered together, we worked and helped each other develop skills, but above all we stuck together. We never gave up, as our first games show. Against Westminster, with two minutes to go, our offense broke a 45-yard run for a touchdown. Against Berkshire, we trailed into the fourth quarter, but won with a field goal. Even when our backs were to the wall, we looked deep inside ourselves and pulled through. Much of the responsibility for the success goes to the coaches. These were the people who busted us, but who, in turn, enabled us to bust our opponents. They made practice hard, but it was fun, which was the most important aspect of the season. To the 1977 team, good luck with your season, and don't ever give up, because you could do it again.

Suffield was a large team made up of experienced and inexperienced swimmers. They started out with an easy win followed by a very exciting contest against Kent. After losing a tough meet, the team pulled together to win five straight.

Led by co-captains Alfano and McCormack, Suffield swimmers began to drop their times in rapid succession. Kelly Picard reset records in the 100 back and 200 I.M. Freshman Roger Chrisman captured the varsity record in the 500 free. Seniors Tom Skeele, Chuck Alfano, Rick Billhardt and Pat McCormack made up one of the strongest 400 free relays in the league and continually provided exciting finales to our dual meets.

The combination of outstanding individuals and strong depth made for an exciting and rewarding season.

1st ROW: Fogg, coach Corbiére, Magauran (mgr.), Oleksak, Hammond, McDaniel, Lewis, Daine, Bishop, Shafroth. 2nd ROW: Dee, Shaffer, Tucker, Tyler, Kennedy, DeTurk, Richter, Tr. Landers.

This year, the girls' Varsity swim team ended their season with a record of 4-5-1. Although we lacked the depth we had last year, strong performances were made this year by Captain Beth Tyler, Sue Shafroth, Kim Bishop, Sarah Tucker and Ginny Daine.

Many personal goals were set this year, from Cheryl Glass' learning to swim to Sue Shafroth's taking a minute and eighteen seconds off her time in the 500 yard freestyle.

Two records were broken this year: Kim Bishop in the 100 yd. breaststroke and Ginny Daine in the 100 yd. backstroke.

Many thanks to Mr. Corbiére for all his enthusiastic support, and we are all looking forward to a successful season next year.

RIFLERY 5-5

1st ROW: Forauer, Thomas, Piccus, Johnson, C. Heffernan. 2nd ROW: Coach Banks, Hamon, Pease, Tuttle, Walters, Skoglund, J. Routh, M. Routh.

The 1976-77 rifle team had a rebuilding season with only seven of sixteen veteran members. Three returning seniors, John Routh, Paul Leonard and Bill Thomas, along with first-year senior John Skoglund, all helped this team to an even 5-5 record. This included losing a heartbreaker to Avon Old Farms by one point! Losing only these four seniors, Coach Banks has his eyes on what looks to be a very promising season next year. The team will have Andy Forauer, Dan Pease and Bob Piccus returning, all of whom placed consistently in the top five. These three along with Mehdi Adib-Samii and fast-developing Tim Johnson, will form the nucleus that will probably be right in the running for the league championship.

Bellows (co-capt.), Adams, Harding, Grieb, Bromson, coach Compton, Bisaillon, Hall, Jean Campbell, Gaede, coach Pohanka. MISSING: Christian, Hart.

Coaches Compton and Pohanka pushed SAXCSKI to its longest and most successful season to date. Suffield competed three times with Salisbury, Hotchkiss and Berkshire, but was only able to win twice over Berkshire.

During Triad '77 the students edged out the faculty team on a windy track. Co-captains Cole Jones and Rick Bellows both contributed speed to the team as did new racers Mark Starr, John Geary and Annika Ström. Peter Doherty and Jim Viola added experience and depth to the team.

Suffield skiers also competed in several non-school events, gaining experience and reaching new personal goals in each.

Highlights of the season: Bellows' 1st in Cummington 7 km; Bill Joyce's tipless, waxless skis; coach Pohanka's klister bindings and Peter Doherty's basic one-wax system.

The varsity basketball team was one of the best in recent years. The team started off strongly and brought a 3-0 record into the Kingswood Invitational Tournament. The team earned a consolation trophy here.

Following the Christmas vacation the team experienced its ups and downs, but settled down to win its last seven games and thus earn an invitation to the New England Class B Prep School Championships.

Thanks go to coaches Kinne and Pervear for their patience and knowledge which helped to make a solid basketball team. The team and the school should be very proud of its accomplishments. Good luck to the Suffield basketball teams and continued success!

GIRLS' VARSITY BASKETBALL 12-4

The 1976-77 winter season was a very competitive one for the girls' varsity basketball team. Under the direction of coach Waskiewicz, the girls combined another victorious record.

The girls were captained this year by tri-captains Mary Oleksak, Karan Stewart and Candy Gore. Returning from an undefeated season, the girls met up with some real tough teams. Heather Murray was a real "scrapper" on defense, usually humiliating the opposition. Denise "cat-quick" Jackson was always kept on her toes and Dede Browne always seemed to spark the Tigers to a victory. Candy Gore was a good defensive player. Karan Stewart was the "quarterback" for the team. Finally, Mary Oleksak added many smiles to the situation.

1st ROW: Mackey, Karanian, tri-caps, Stewart, Gore, M. Oleksak, Jackson. 2nd ROW: H. Smith, Drummond, Rainsford, Browne, Murray, Coach Waskiewicz.

ALPINE SKIING: GIRLS 0-3, BOYS 2-12

1st ROW: Gleason, Bevier, Scudder, Childs. 2nd ROW: Smithers, Bogle, de la Fuente, M. Lee, Steele, S. Beekley, Linsley, Corsak, Fuller, L. Beekley. MISSING: Sheehan, Carey, Schwendeman.

This year's varsity ski team labored through a somewhat frustrating season. Plagued by a number of misfortunes, it was not able to make its mark in the Berkshire Ski League. While as a team we had our problems, individually we had some excellent performances. Tim Scudder '78 established himself as the man to beat around the League. Tim is probably the strongest competitor to ski for Suffield in many years. John Bevier '77 came on very strong, giving us a good one-two punch. Chris Childs and David Steele worked hard and gave us added depth. Brad Linsley, Chris Gleason and Pablo de la Fuente, going through the learning stages, will certainly help next year. This year's team must be characterized by having a lot of heart in the face of many setbacks and a good sense of teamness.

Girls' Alpine skiing came to Suffield for the first time this year. Skiing a limited schedule, we established a good nucleus for the future. Through the efforts of Mary Lee, '77, Lorie Beekley, Betty Corsak, Sayre Beekley, Bonnie Smithers, Anne Sheehan, Martha Fuller and Beth Bogle, we can look ahead to a strong 1978 season. Next year a seven team Girls' Ski League will be established, lending greater credibility to girls' athletics. Their willingness to ski through the rain and endure the van rides gives some indication of the determination which will lead to success in the future.

The hockey season was a great success. The building of last year paid off with the help of a few new additions. Bob Doherty led a strong defense consisting of Bob Stanley, Jim Foley and Kevin Stone to back up the two scoring lines. The scoring ability of the line, led by Bill Stone, the passing of T. R. Goodman and Bard Stevens and the threat of O'Brien, Beadle and McNamara left the opposition in awe. Thanks to Andy Rarus who filled in and also to John Humphrey, who had a fine season in the goal.

This year's varsity team kept up the Suffield wrestling tradition by finishing first in the Western New England Wrestling Tournament, beating such teams as Taft and undefeated Loomis who had both downed Suffield during the season.

The team finished the season with a 7-3 record, becoming stronger as the season progressed, hitting their high for the tournament. All the wrestlers had important wins in close matches and the team can boast several champions. John Allen, especially, gives the team and the school a great deal of pride. John is state, New England and national champion.

As always, coaches Peraino and Hamilton did a fine job with the team. They worked the team hard but it paid off in the end. The team appreciates and thanks them for their hard work and effort in making this season successful.

1st ROW: Longo, Shafroth. 2nd ROW: L. Beekley, C. Hefferman, Stewart, Hayden, L. Lee. 3rd ROW: Corsak, P. Pohanka, S. Oleksak, M. Lee, Jean Campbell. 4th ROW: Coach Stuttard, Rockwell, Schaffer, Coach Fraser.

This season, the Girls' Lacrosse team faced a constant problem of the limited number of players. Although the fifteen steady players often outskilled and outran the opposing teams, they in turn had many girls for substitution. Our most exciting game was against Berkshire - a tie score until the last two minutes. In this game, as in the others, the scoring attack was led by Lisa Longo, Trish Pohanka, Colleen Heffernan and Jean Campbell. Our strong defense consisted of Betty Corsak, goalie; Karen Stewart and Mary Lee.

Next year looks far more promising. With high scorers Lisa Longo, Colleen Heffernan and Trish Pohanka, backed up by the other valuable players, Suffield should have a winning season in '78.

The baseball team had a fine second half of the season, winning four of their last five ballgames. Led by captain Dave Teed, the team overcame many obstacles to post its first winning season in many years. Teed led the team in batting with a .413 average, as well as in RBI's, with 11. He also led the mound staff with four victories and one defeat and had a sparkling 1.35 ERA in 40 innings pitched. Dave was voted the MVP for the second consecutive year.

Billy Lahart had a fine season at shortstop, making the big plays when they really counted. In the 4-2 upset win over Loomis, Billy had a great day in spite of a tremendous 22-strikeout performance by the Loomis pitcher. He got on base five straight times and stole four bases in a spectacular display of hustle and desire.

Anchoring the infield were Jim Foley, who shared 2nd base and mound chores with Teed while posting a 2-2 record; Chris Cardone at third and Mike Quesnel at first. Dave Hill had a fine year behind the plate, backed up by Matt Aaron, Bud Drapeau, Mike DeMayo, Rob Spindler and Mark Regalbuti, who made many contributions to the overall team effort.

A sports season summarized is a compilation of many facts. There is the won-lost figure, post-season honors, high scorers, the inevitable rationalizations, pre-season dreams and post-season reality. We did not have a successful record, yet to end on that note would leave out the most important aspects of a season, the people and the experiences. We suffered through the most incredible succession of injuries, illnesses, discipline and (in one case) falls, and even so I felt we lost some games we should have won. Nonetheless, this team is one that stayed together throughout and demonstrated fantastic flexibility. Special thanks to our seniors, some of whom have lettered for three years and who represent the best in the league. The spirit, leadership and performance of our co-captains was exceptional; they both made the All-League team and shared the Harvey Potter Award. Finally, thanks to Bill Linacre for keeping the coach going; we wish him the best of luck in his new endeavors.

After a successful start, the team suffered some key injuries and a couple of heartbreaking losses during the final week to finish with a 6-6 record. After a slugfest with Loomis in which Sara Whitaker led the barrage with five of the thirty-five hits, the team's bats turned cold as they lost a defensive gem to Hotchkiss. Aggressive base-running, hard hitting, fine fielding and exceptional defensive work were all major contributions in Suffield's victories. Despite the fact that the last four games were losses, they provided some of the best softball of the season, including a thrilling overtime game against Williston. Although the team is losing some valuable seniors, there is a strong underclass contingent which makes the outlook for next year very bright.

Varsity tennis compiled its first winning season in four years with a solid 6-5 record. Wins over Westminster and Longmeadow highlighted the year. Captain Beadle and Wiss gave strength and steadiness at the top positions. Underclassman Bard Stephens notched a big win against powerhouse Avon at number three, while Humphrey and Barnard gave good performances at four and five. Dave Dieterich was a steady winner at the last position, defeating eight of his eleven singles opponents.

Captain Joe McLaughlin led well and neared records in both the mile and the 880. Frank Keough worked like a madman and set school records in both the 100 and the 220 as well as carrying off two gold medals in the Class B New Englands. John "The Bear" Allen flirted with records all season in the shot as did Billy Pegoraro in the javelin. Both Syd Howell and Steve Walters high-jumped six feet. Todd August worked, won and learned in the 440, and it paid off for him with a gold medal in the Class B New Englands. Mostly seniors who will be badly missed, this was a team that could have a bad day one day and pour on huge numbers of points the next. While their season was mixed, they provided a lot of exciting memories for Suffield track fans.

This year's Varsity Golf team was led by four returning lettermen: Captain Paul Leonard, Grant Sperry, Andy Olear and Mark Palomba. Seniors Jim Baker, Bob Clarke and Jim Patton, along with junior Ed Palomba rounded out the team. The high point of the season was a second place finish in the Kingswood Invitational Tournament. This year completed fine careers for a number of golfers. Best wishes to them and to the rest of this year's team.

Led by captain Gwen Worthy's outstanding sprinting, which led to a new girls' record in the 220 and a bronze medal in the girls' New England Prep School meet, Suffield girls did a fine job of keeping pace with the increasing intensity of competition in girls' track. Seniors Heather Murray and Wendy Matchett were typical of the team in that they competed successfully in a variety of events, and, like Gwen, they will be sorely missed. But the veteran core of this team, Candy Gore, Dede Browne, Ruth Kennedy and Heidi Drummond will all be back along with this year's new faces, Liz Emmons, Kathy Salius, Lisa Keney and Bev Howe. Since most of our girls' records are held by these girls, the future looks bright for Suffield Girls' Track.

ORIENTATION '76

Our lives are full of changes; switching schools is but one of many. Even so, we all need some assistance in adapting ourselves to such a change. Of course, the faculty cannot make the adjustment for the student; this is something that he has to do himself. However, they can show the patience and understanding that gives the confidence to make a healthy transition. The Orientation Program tries to make arriving students comfortable in a new environment. It encourages them to become, as soon as possible, a part of the school community.

The program did not work any miracles; what people got out of it was proportional to what they put into it. Cooperation made it the success it was. Games and exercises were fun in themselves, but they also brought people closer together. Activities were designed with group participation in mind and within these groups, individuals became better acquainted. The faculty showed it understood and sympathized with the difficulties of adjusting to a different way of life. Orientation made individual students aware of the fact that they were not the only ones who had to settle into new surroundings. There were students all around them who had the same task. People did not feel so lonely any more when they realized this.

Oh, how we complained of jogging through the damp fields at sunrise, the blades of grass clinging to our drenched sneakers. Sometimes the physical exertion seemed so frustrating and endless. In reality, the activities were intended as catalysts for developing friendships and settling people into the school system. Little things such as swinging across Muddy Brook, or clambering over the wall, though apparently rather meaningless then, will take on a new significance long after we have left Suffield Academy. For it will be things such as these which will form the memories of what will seem a simpler past and that we will look back on with longing in the difficult years to come.

ALUMNI DAY

SUFFIELD OUTDOOR EXPERIENCE

Several trips were offered this year under the direction of Steve Downes and Dave Rockwell. The Fall Extended Weekend saw approximately sixteen students trek off to Franconia Notch, N.H. Problems with early snow forced some alteration in plans, but it was a worthwhile experience. A small group of hikers spent the Thanksgiving vacation in the Great Smokies. A slight departure from the normal venture was an eight-day excursion during Spring vacation to Cape Hatteras, N.C. and Shenandoah National Park. This trip was highlighted by visits to many historic landmarks and a wide variety of environments.

A return trip to Burnt Island, Maine at the end of April provided an opportunity to rock climb on sea cliffs and enjoy the solitude of an offshore island. Year-end trips are planned to the Carter-Moriah Range in N.H.

The program is designed to present the participants with a wide variety of outdoor experiences and to point out the great contrasts that exist in our world. At the same time, students can learn more about themselves through reflection and troup interaction. It provides for an educational experience not found in the classroom.
